It's got a "V" in its bonnet—
or your choice of two new sixes!

The *motoramic* Chevrolet for '55

Great new

8

It's the valve-in-head V8 as only
the valve-in-head leader can build it!

You'd expect Chevrolet to out-V8 the field—and it has! Chevrolet's new "Turbo-Fire V8" puts a brand-new kind of excitement under your foot. The excitement of 162 horsepower! The excitement of an 8 to 1 ultra-high compression ratio that squeezes more pure fun out of a gallon of gas than you ever dreamed possible! The new "Turbo-Fire V8" is so efficient that it requires only four quarts of oil instead of the usual five or more. And it has the shortest piston stroke in the low-price field, for longer engine life. But we can't even begin to give you the whole story here. Come in and drive the new "Turbo-Fire V8!"

Two new 6's

6

With enough new advances
to fill a hook!

Chevrolet offers two new highstepping sixes for 1955! There's the new "Blue-Flame 136" (teamed with Powerglide as an extra-cost option) and the new "Blue-Flame 123." Both bring you new, higher-rated power—the zippy, thrifty high-compression kind. Both have new, more efficient cooling and lubrication systems... new engine mounts that result in almost unbelievable smoothness. And, like the new "Turbo-Fire V8," both are sparked by a new 12-volt electrical system for finer performance and faster cold-weather starting. They're the liveliest, smoothest sixes Chevrolet ever put into a passenger car!

The Big Air 2-Door Sedan—one of 14 new Fisher Body beauties in three new series.

More than a new car... a new *CONCEPT* of low-cost motoring
(and much too good to miss driving!)

Tartar Teen Talk

Much excitement greeted the announcement of the 16 candidates for Homecoming Queen last Thursday. The Student Body did a fine job of electing the candidates. The lovely girls chosen were Jean Brimley, Connie Ericson, Francis Frisina, Sandy Gish, Vicki Hagan, Joan Laskaris, Lena Malmstrom, Pat Pierce, Joy Pearman, Doris Popovich, Judi Reid, Pat Rogan, Ann Steinbaugh, Mizzi Trimew, Babs Whitley, and Pat Wingard. Out of these 16 capable candidates the queen and her court will be elected. The top five will be announced at a special Homecoming Aud Call tomorrow.

The seniors urge you to attend the big Homecoming Dance after the Santa Monica-Torrance game, Nov. 19. It will be the biggest affair of the football season and the price is only 50 cents. All upperclassmen and alumni are invited to attend.

Torrance High's first string Varsity players enjoyed a football luncheon given by the Lions

and Helen Roberts represented the Tri-Hi-Y. All attending had a swell time and came home with some great ideas for their respective clubs.

Mr. Frowell's advanced biology class visited the new Oceanarium at Portuguese Bend last Thursday afternoon. Arriving in time for the 3:20 feeding, the students saw the divers lowered into the huge tanks to feed the fish. The trip proved to be very interesting and beneficial to the biology students.

To teach people how to ski, a Ski Club has been organized. The club will be made up of almost entirely of Torrance students, but outsiders may join since it is not an official school club. The members will go on numerous ski trips and will be given skiing tips by Jim Cole, Wolfgang Fongler and Max Will, who are the organizers of this new club.

Victorious once again was the Tartar football squad. They beat the Leuzinger Olympians, 27-6, last Friday night. The game was a great one for Torrance and many loyal Tartars and residents of Torrance journeyed to Leuzinger to support our team.

Long Beach to Offer New Master's Degree

Long Beach State College will be the first state college in Southern California to offer a Master of Arts degree in industrial arts as the result of approval by the State Board of Education. It was announced this week.

The dance Friday night at the YMCA from 7:30 to 11:30. The theme for the dance is "Heaven and Hell," and the affair promises to be very unique. Since there is no football game this week, Tartars should support the dance.

Enjoying a taco party at the home of Peggy Wood last week was a small group of Tartars. Eating the delicious tacos prepared by the girls were Dick Dawson, Joan Laskaris, Marylou Sass, Skip Smith, Linda Thistle, Sherwood Tierman, and Peg. A similar party was held the week before this, with the same group attending.

The Frowlers (the new car club) recently received their new car plaques. The plaques, designed by Tom Kulp, really look great with the silver lettering and blue background.
